naturist NETWORK

Pursuant to the language of TNS' Participation Agreement, the following listed Participating Groups, Parks and Resorts have agreed to "welcome persons carrying The Naturist Society membership card." Further, they have agreed to the principles enunciated in TNS' Statement of Values, which says in part: "The Naturist Society does not recognize groups or clubs which promise or intend primarily to promote sexual activity, or which practice a policy of exclusion based on race, religion, national origin, sex, sexual orientation or disability. It is acknowledged that single male visitors may be subject to a quota if a club or resort deems this unavoidable. [Participating clubs are] expected to offer a day visitor rate not greater than that extended to nonmember visitors from other nudist/naturist organizations. The TNS participating agreement is available for viewing on the Network page of our Web site, www.naturistsociety.com. Clubs having a combined rate for couples are expected to accept a 'couple' as defined by The Naturist Society card."

Meet your Network Coordinator Debbie Jungwirth. Debbie works very hard to make sure we have your information listed correctly. Please look over your listing and let us know if anything has changed.

We are also featuring a "TNS Wall of Fame." The "Wall" introduces you to an organizations Network liaisons and officers. If your organization is highlighted it means that you have submitted a ***NEW*** *TNS membership this year. Thank you!*

Sent a membership, then also send a picture too and you could be on the "Wall."
